ABOUT ME

My name is Ebenezer Frimpong and I am an accuracy-oriented and dedicated individual with a pro-active approach and the crucial ability to operate both independently and in fast-paced team environments. I am an Experienced Community Taught Web Developer, skilled in solving problems with JavaScript/TypeScript, React, NextJs. Focused on being a valuable part of any team I am on and believe in the team rising together. If one portion of the team needs help with a task, I have no issue jumping in to assist on anything required.
